# Amira's Language Courses : The Levels

**Your Objective : Express Yourself Competently :**

At Amira, you'll find small groups and dynamic, communicative methods. To attain one European level at Amira, you'll need normally only around 60 hours in a twice weekly group course or up to 80 hours in a daily intensive group. It's a big advantage for the student compared to the longer programmes of many other schools. You can achieve this here with us, because Amira's group courses (each half a European level) are fundamentally adapted to help well-educated, adult students learn in a time efficient way – with some regular self study; we have large electronic library, which you can access from home.

## **Total Beginners (Level A.0 – equivalent to half a European Level )**

**Level A.0 :** For people completely new to learning European languages: Slow start. We help you to distinguish and recognise the basic sounds. You'll practise pronunciation, acquire essential vocabulary (with pictures) and discover initial grammar. The aim : your confident and clear verbal expression of the phrases you'll learn. Next Step = Level A1.1

## **Beginners (European Reference Level A1)**

**Level A1.1 :** In this lively, dynamic beginners' course, we ask you speak right from the start, without translation. Learn introductions, numbers, shopping, directions, metro, pub small talk, restaurant, etc. The aim : to build rapid progress in your use of basic phrases. Next = Level A1.2.

**A1.2:** Have everyday conversations: neighbour, town hall, bank, market, post office, teachers, clothes, landlord. Next = Level A2.1

## **Intermediate (A2)**

**A2.1:** Express your personality to friends. Talk about you, your work, your leisure and projects. Make dates.

**A2.2:** Using the language creatively, consolidate the basic structural knowledge necessary to have a conversation.

## **Higher - Advanced (B1 - B2)**

**B1.1:** Conversation. Take firm control of your life, for example, at the garage, or on the phone, or in a dispute.

**B1.2 :** Evolve in the local environment. Contribute your views in fast-paced group conversations. Write letters and become sure of the basics.

**B2.1-B2.2:** Practical fluency. You'll practise advanced grammar and argue for ideas in complex, professional discussions. TV in the language will become natural to you.

## **Proficiency (C1 - C2)**

**C1.1-C1.2:** Independence- Style. You'll develop a precise expression with freedom from, «Please correct my text».

**C2.1-C2.2:** Mastery, the path of perfection and taste, at ease with both great literature and specialised subjects.
